REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: one of the reasons for allowance of claim 1 is that the prior art of record does not disclose a method comprising the step of selecting a second parameter configuration for a neurostimulator based on the observed efficacy of the recited first parameter configuration and a Bayesian network structure relating additional parameter configurations according to probability of efficacy. Related comments apply to similarly worded claims 18 and 35.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
